QWIDPRO

Navigation bar must match style and menu items on navigation bar on landing page: Remove Contact us, Instead of FAQ leave support

Change title to **Find Flexible Talent**

Use the QwidPro Icon pack (Get it from Marco) next to each menu item on the side bar and change the container style to incorporate rounded corners

Freelancer Account

Side Bar UI clean-ups
Make the sidebar UI more streamlined and reduce the number of primary menu items from 13 and use the QwidPro Icon pack (Get it from Marco) next to each menu item on side bar and change the container style to incorporate rounded corners
